# *I'VE GOT*

Even though history tends to group us together according to behavioral patterns, we know that each person is an individual, with an individual personality that changes as often as the seasons.

# *TA BE ME*

BILL DUNN

Do you remember when the year started? For some of us it was just getting back into old habits, but for many, the year was the beginning of new and lasting relationships. Finding out that boy really wasn't conceited and that teacher was actually interested in you seemed like huge accomplishments to take place in such a short time.

DAVE BALL
55

Everyone was involved at Grove City this year, both by participation in clubs and individually. Apathy took the back seat as school spirit and pride soared within each person as he watched his team move closer to victory. Although sometimes we didn't win, onlookers knew that victory wasn't our only goal.

Good times weren't always limited to school hours. Who could forget those special Saturday night dates, that one tough football game when tensions ran so high, or all the other memories that were compiled into your year? Little did we realize, that at that moment, we were being molded into a person known as me.

Learning how to be yourself is one of the hardest lessons that each of us learns, and not everyone follows the same path towards this goal. Some find themselves swept up in the action of sports; while others take the academic route.

All these experiences are important, but the most lasting ones result from your experiences with other people. These are the ones that have molded you into what you are today; what you will be tomorrow.

"And how about the time everyone . . ." How many of your sentences have begun like that lately? An academic year encompasses many happenings other than the ones that are school sponsored. Few people remember or even know about most of the earthshattering events that take place everyday in our lives. Maybe it was that joke you and your friends shared, telling someone a story and stretching the ending just a little, or your mom finding out about Friday night.

Everyone likes to look back and laugh because that is part of the fun; laughing at others and most important being able to laugh at yourself.

# SENIORS OF 1970

Then suddenly the year is over and each person has lost or gained nine months of knowledge which can never be replaced. What person could put into words a summation of a year of everyone's life? The task is impossible because each of us grows in a different manner. By profiting from each of our experiences, we become stronger people; people getting ready to face the world and to face theirselves.

Sometimes when i'm alone
i feel sad,
i laugh with groups of girls,
i feel silly
my senior year comes,
i feel half adult and half adolescent
i became a queen
i feel beautiful.

Queen Sue

SUE . . .
AN INDIVIDUAL

Vivacious and congenial, describe Miss Sue Edwards our 1970 homecoming queen. Sue has been an enthusiastic cheerleader for three years, and has also actively participated in student council, pep club, and assists in the office. Her beauty in not only looks, but also personality, naturally make her our choice to reign over our 1970 Football Homecoming.

Alive!

Easy does it, Sue!

# *Graduation '70*

listening for bells,
being regulated by clocks,
shuffling down the same halls
for three years,
marching onto a green field
to change our tassel from the left to the right
graduation just seems natural
after twelve years.
a senior year,
is memories of learning a schedule in seventh grade,
is learning
that some of your old teachers
are smarter than you thought,
and that some of those teachers
really cared
is having a riot,
being the cheeriest at football games,
kidding the teachers,
and skipping classes.
a senior year is getting
out of classes a week early
and a commencement, is that
which we go into as seniors
and come out as beginners.

Communication is necessary to survive in our complex world; therefore, it is important to have a basic understanding of the organization and implementation of the language. Toward this end, we analyze composition, grammar, and literature with the aid of our able English staff. The teachers composing this staff are Mrs. Lee, Mrs. Bolla, Mrs. Wood, Miss Hamm, Mr. Davis, Mr. Queener, Mr. Powell, and Mr. Mitchell.

# *Social Studies*

A modern idea is being practiced this year, team teaching. An example is the class of Contemporary American Problems, which is a new course for seniors. Mr. Edelman and Mr. Randolph share the teaching and grading of the classes. Mr. Brockmeyer is also team teaching with Mr. Davis in the Language Arts and Social Studies course. Teachers for American History and Government are Mr. Leonhard, and Mr. Brockmeyer. Mr. Bassett and Mr. Peterson are the new faces to World History and World Geography.

# *Science*

A partial knowledge of all areas of science is necessary in this expanding age of technology. The different subjects; chemistry, physics, and biology are represented in the curriculum. The biology classes, studying various aspects of plant and animal life, are directed and taught by Mr. Bolin and Mr. Weber. Discussing and lecturing about the properties of oxygen and experiments involving other elements are the chemistry teachers, Mr. Lester and Mr. Matney. Studying about weather, rocks and doing various experiments are part of Mr. Huffman's earth and physical science classes.

# *Mathematics*

Computerized mathematics has come to Grove City! The math department has obtained an IBM computer. This machine will be utilized in all three areas of math; general, academic, and business. Mrs. Carmack teaches Algebra I and Business Math. Mrs. King has the general and basic math classes. In Geometry, Mr. Keller helps the students form a logical way of reasoning through corollaries, postulates and theorems. Algebra II, taught by Mr. Gray, is the link between algebra and calculus. Involved are graphs of hyperbolas, circles, ellipses, some word problems, exponents and logarithms. Mr. Tucker explains that advanced math is that course which concludes the academic mathematics program. Topics such as trigonometry, analytical geometry and limits are developed. Math 400 is a senior mathematics course designed for those students who do not wish to explore math any further but need a review for college.

# *Physical Education*

Physical education classes teach strength and coordination. Miss Kohn shapes up her girls with exercises and the new trampoline. Mr. Russell has the boys play volleyball, basketball and baseball to keep fit.

In Health classes, topics such as drugs, sex, and first aid are discussed.

# *Industrial Arts*

Artists in the media of wood and metals is the way to describe the Industrial Arts classes. Mr. Stanley teaches the boys how to work with woods and metals while Mr. Wircenski teaches mechanical drawing. The boys design buildings and draw landscapes, work with weight lines and layouts.

# *Home Economics*

Home Economics classes are proving that homemaking involves more than just cooking and sewing. Included are money and time management, study of laundry, and perfection of the sewing and sewing techniques. Mrs. Olson and Mrs. Price direct the girls in becoming well informed homemakers of the future.

MR. RICHARD KIRTZ

# *Library*

The constant expansion of the library's reading material keeps the students well informed of world affairs. The current news is kept up to date by the magazine section. This year there is a broader selection of paperback books and they have added 3,500 new books to their present supply. Mrs. Joesph and her assistant, Mrs. Davis, instruct students in library use and attend to ordering books, filing cards in the catalog and keeping the books in order.

# *Art and Music*

The various pictures displayed in the front hall are the works of Mr. Allwood's art classes. Drawing, painting, and sculpture are a few of the many areas studied. The music department is guided by the skillful hands of Mr. Theis and Mr. Carter. The instrumental section is under the direction of Mr. Theis and the vocal classes are conducted by Mr. Carter. The bridge between the art, music classes is humanities. This class helps students understand the interrelationship between the two.

Jim Weber Ath. Dir., Bob Leonhard, Fred Mitchel, Chuck Brockmeyer, Elmer Houdashelt, Leo Huffman.

The 1969-70 editor of the Grove City Greyhounds was a rerun of last year's copy. The 8 wins and 2 losses duplicated the record of the 1968-69 Hounds. By gaining victories over Circleville, Bexley, Groveport, Hilliard, Marysville, Mifflin, and Pleasant View and losses to Franklin Heights and London the Greyhounds earned their third straight winning season under coach Brockmeyer.

# *New Ending*

The Mid-Eight Championship that had eluded the Greyhounds in '69 became a reality in '70. Although G.C. was beaten by London, the Red Raiders suffered defeats at the hands of Hilliard and Marysville. When the Hounds handed the Wildcats of Hilliard their lone defeat, the Greyhounds and Wildcats shared the Mid-Eight Title with six wins and one loss apiece.

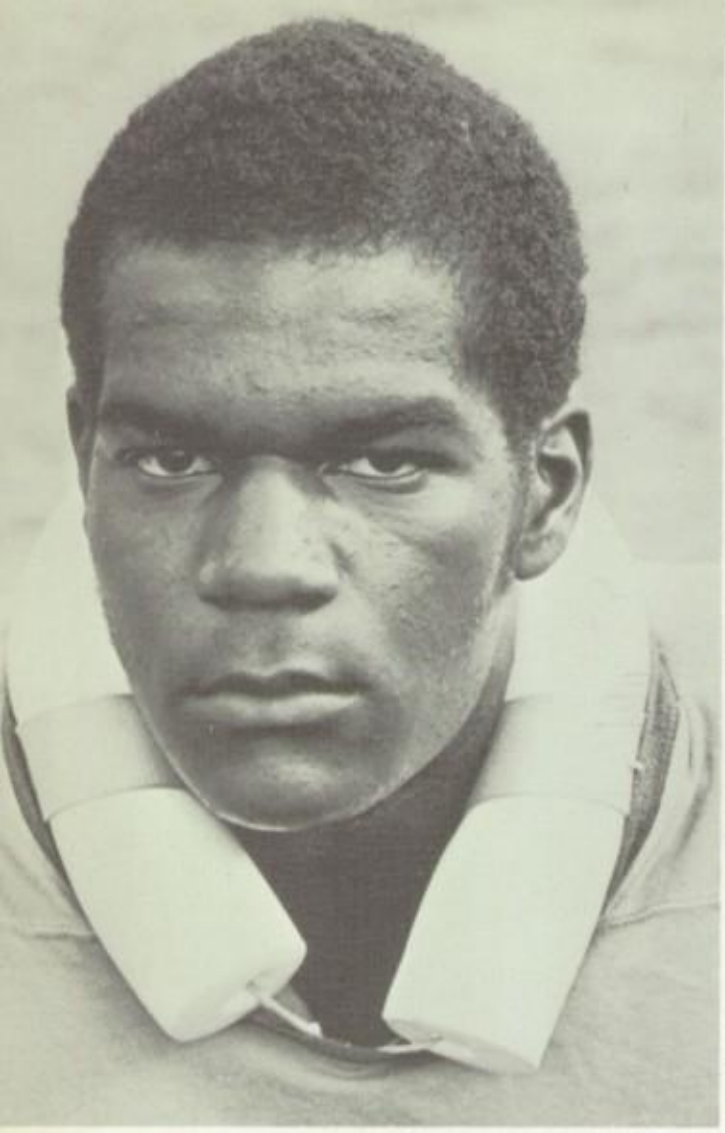
1969



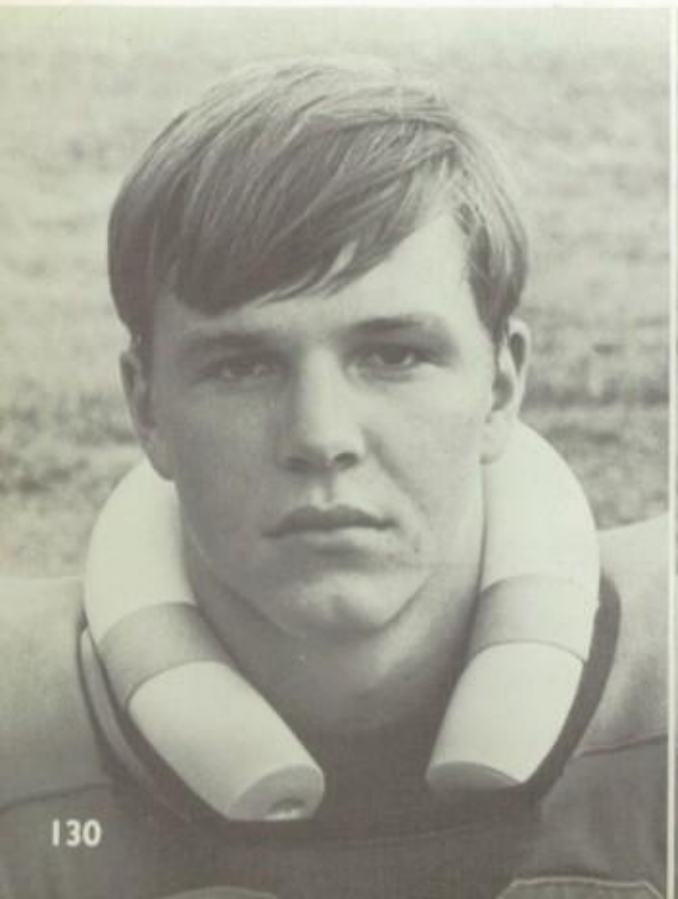
In three years at GC. Bob Hitchens gained over 3000 yards and scored 34 TD's. Bob made the All Mid-8 and All District teams and represented Grove City in the Ohio High School game in Canton, Ohio.

Tim Cox turned quarterback during his junior year and led G.C. to fifteen wins against only two losses. Tim made the All Mid-8 squad as QB but also starred as a defensive safety where he led the team in interceptions for three years.

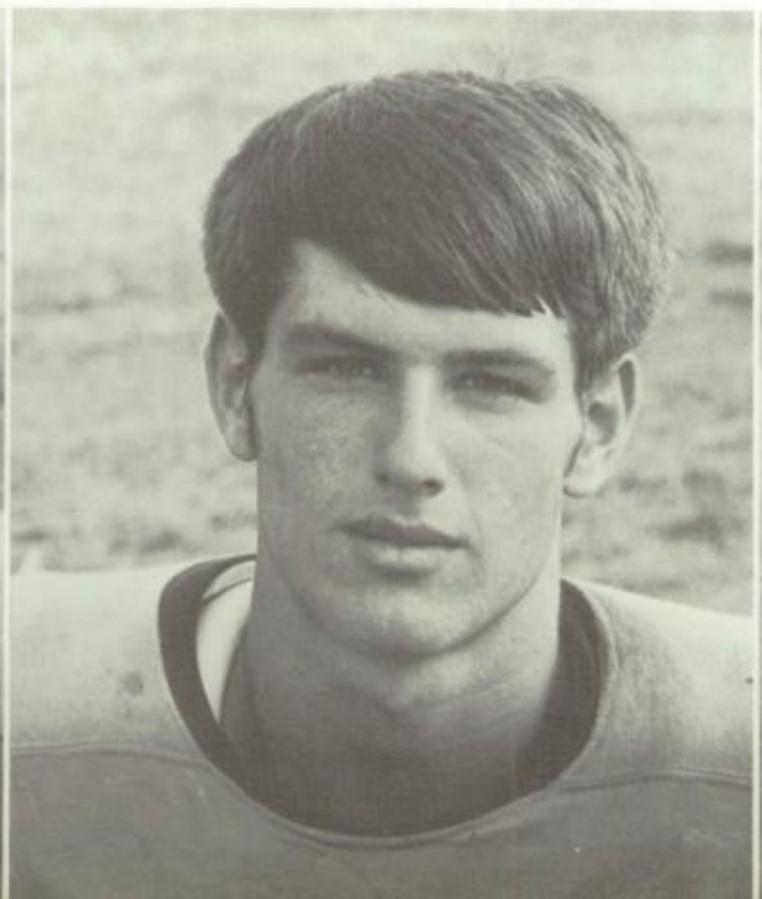
Marc Chesser

# *Senior Stalwarts*

Despite knee problems, Gary Leonhard, played great football for the Hounds. He played center and defensive end. He also earned All Mid-8 honors.



Ric Strickler was a three year defensive back and this season he moved to offensive guard where he did well enough to be elected to the All Mid-8 team.



Starting at offensive end and defensive tackle and when needed at fullback and linebacker, Gary Bennett, played all four positions during his three years and was also named a member of the All Mid-8 team.

With only one senior on the squad, the GC Cross Country team promises to be strong in the next two years. Led by junior Del Smith and sophomore Robin Smith, the Hounds had a record of two wins and five losses in dual and triangular meets and finished third in the Mid-8. The Greyhounds also had good showings in the Whitehall Invitational where they finished eighth and strong individual performances by Robin and Del Smith in the Worthington Invitational where they finished first and second respectively in their grade levels. GC also fared well in the District as they finished sixth out of eighteen teams and Del Smith finished sixth and Robin seventh out of One hundred and nineteen runners. Losing only one senior to graduation is a good sign for a fine team next year.

# *GC's Best 22-1*

On November 1st 1969, the Grove City Greyhounds began workouts with hopes of winning them all. Nobody said it but everyone felt that "this was the year." With a nucleus of four returning starters from a record of 15-5 the previous season, this was definitely going to be a strong team. Against Gahanna, the opening game, the Hounds reeled off fifteen straight points before the Lions got on the scoreboard; this was to be typical of the Greyhounds throughout the regular season and on into tournament action.

Returnees Dave Ball, Steve Haughn, Bob Hitchens, Jeff Smith and the improved Daryl Thomas were expected to carry the load although the big surprise came from sophomore Mike Castle. Mike improved from the first day, when he was a clumsy, raw rookie, until the tournament when a confident Mike Castle played like one of the veterans. The prime ingredient for this year's success was the play of six foot five inch center Dave Ball. Dave worked all summer to improve his moves and shooting. It showed as he led the Hounds in points scored, rebounds, field goal and free throw accuracy.

COACH HERB RUSSELL

In eleven years as coach at Grove City, Mr. Russell has compiled a record of 185 wins and only 50 losses for a winning percentage of 78.7%. This year Coach Russell was honored as Central District Coach of the Year for his part in guiding the Hounds to their 22-1 record.

# *Undefeated Champions*

The 1969-70 Grove City Greyhounds compiled a regular season record of 18-0. The Hounds showed great offensive strength with outputs of 106 and 88 against Hilliard, 97 against Bexley, an an overall average of 77.1. Although scoring points is the main objective, GC's defense was hardly lacking. By holding London to 28, Hilliard to 27, and giving up only 49.2 per game, Grove City averaged a thirty point win margin. The Greyhound's only close calls came when London tried stalling the ball and came within six, 46-40, the other being when the Hounds shot poorly and it took clutch foul shooting by Steve Haughn to pull out a 76-72 victory over Grandview.

# *District Runner-Up*

Being seeded third in the Central District behind the state's second and third rated teams, Mohawk and Newark, meant that Grove City would obviously be considered a contender for the district crown. The Greyhounds first tourney foe was Westerville and GC had little trouble in putting the Wildcats away, 86-61. Quick starting Watterson was next and had the Hounds down 27-20 at the half, but GC roared back and blew the Eagles right out of the barn, 70-49. DeSales proved to be GC's next victim as the Hounds won 79-55 to capture the sectional title. GC's next opponent was picked by many to win the state championship, but behind Dave Ball's 38 points the Greyhounds were able to pull off a spectacular 62-60 comeback victory in overtime. Walnut Ridge burst the bubble as they caught the Hounds on an off shooting night and deprived Grove City of their second district title.

# *G.C. Reserves*

The reserve basketball team had a fine season compiling a record of 14 wins and only 4 losses. After an opening defeat to Gahanna, the Greyhound pups reeled off fourteen straight victories before dropping the last three. Led by Most Valuable Player Cliff Weygant and Lee Edward's strong board play the GC reserves showed that the Hounds will be strong in coming seasons.

Being a cheerleader at Grove City is more than just leading cheers at football and basketball games. This year the cheerleaders made their own uniforms and raised money to buy themselves a mini-trampoline. By initiating gymnastics into their cheerleading and putting on skits to entertain the students during pep rallies they helped psyche up the players for upcoming games. It is not possible to have such great cheerleaders without a great advisor. In her first year as advisor, Miss Kohn did an outstanding job and made the cheerleaders the most active students in the school. The 1969-70 varsity cheerleaders were, seniors, Sue Edwards, Chris Melville, and Jan Konkler, juniors, Teresa Quinn, and Sandy Augenstine. The reserve cheerleading squad consisted of three juniors, Roberta Rowe, Penny McClelland, and Helen Martin, and sophomores Margie Baker and Debbie Strickler.

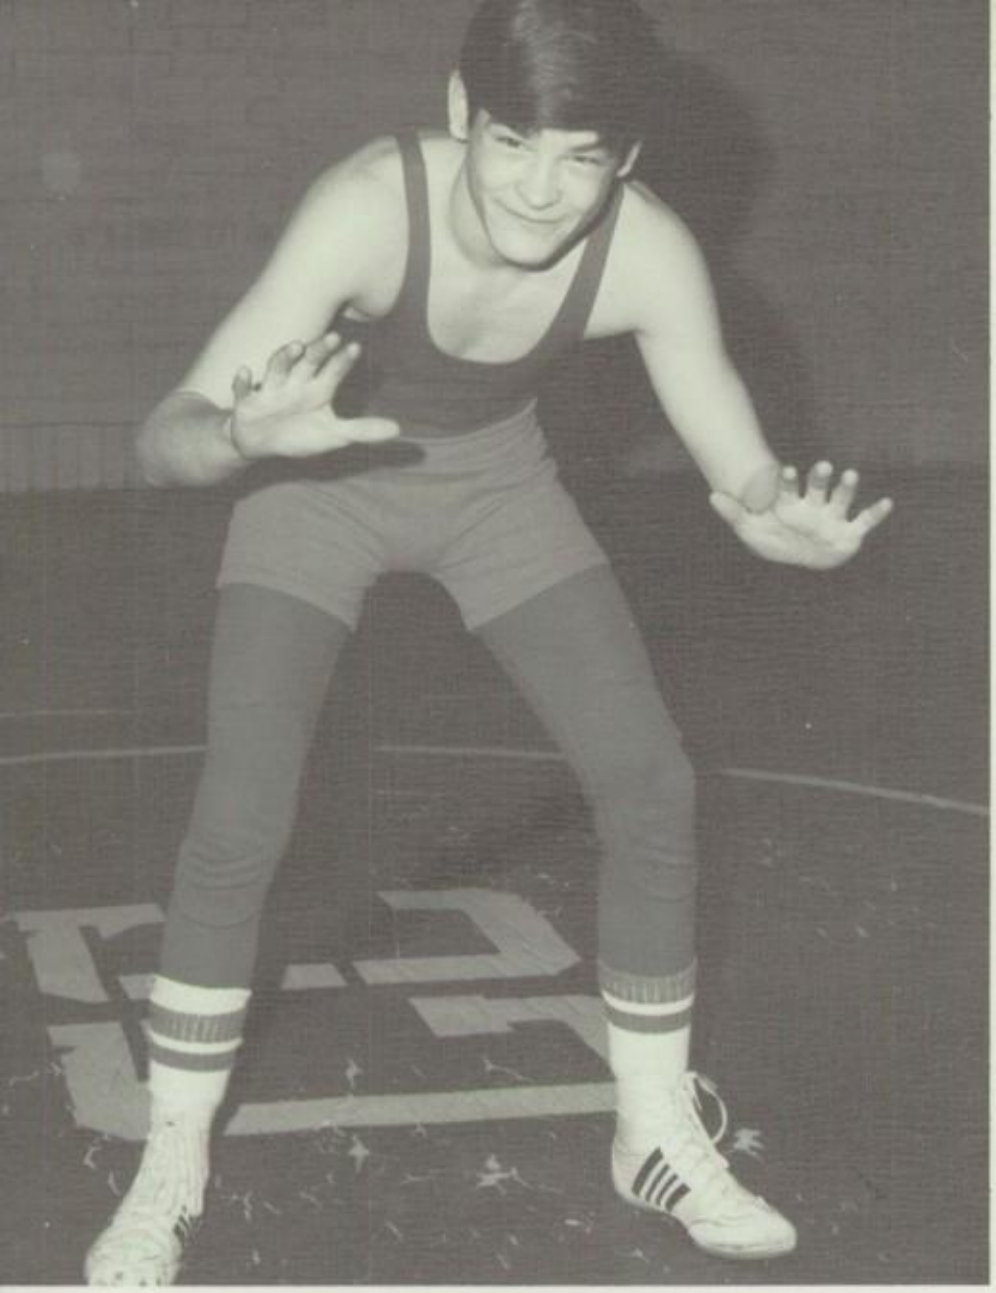
# *Greyhound Grapplers*

In 1970 wrestling came into its own at Grove City as the Greyhound grapplers captured their first ever league title. Although showing a record of only three wins, four losses, and three ties in dual meet competition, the Hounds fired up for the Mid-8 meet totaling sixty-seven points to win by six over nearest foe Grandview. The team then went to the Sectionals where they sent seven wrestlers to the District Meet.

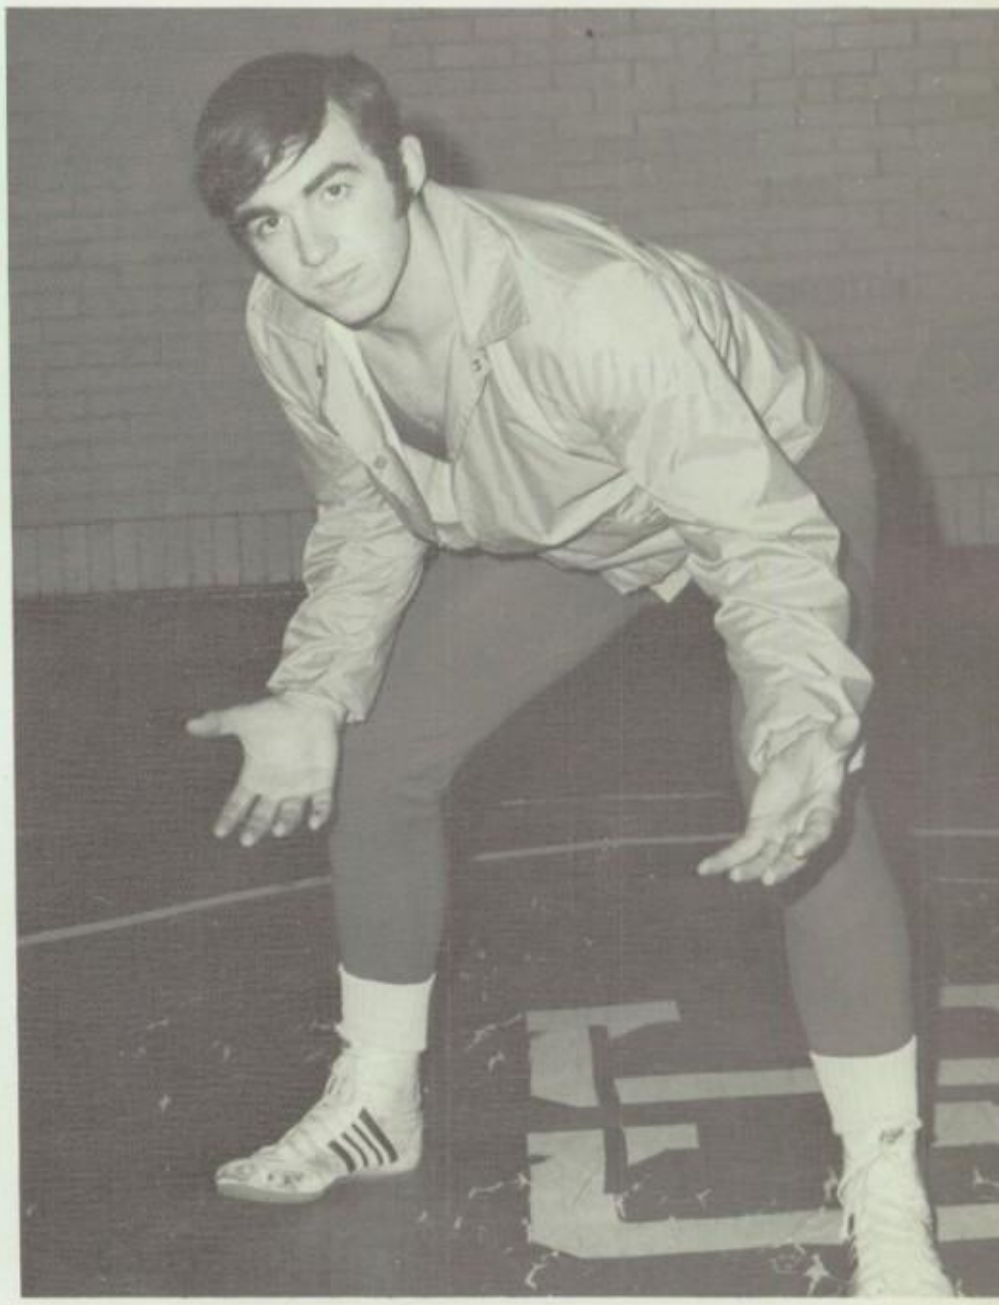
Coaches Gray and Mitchell



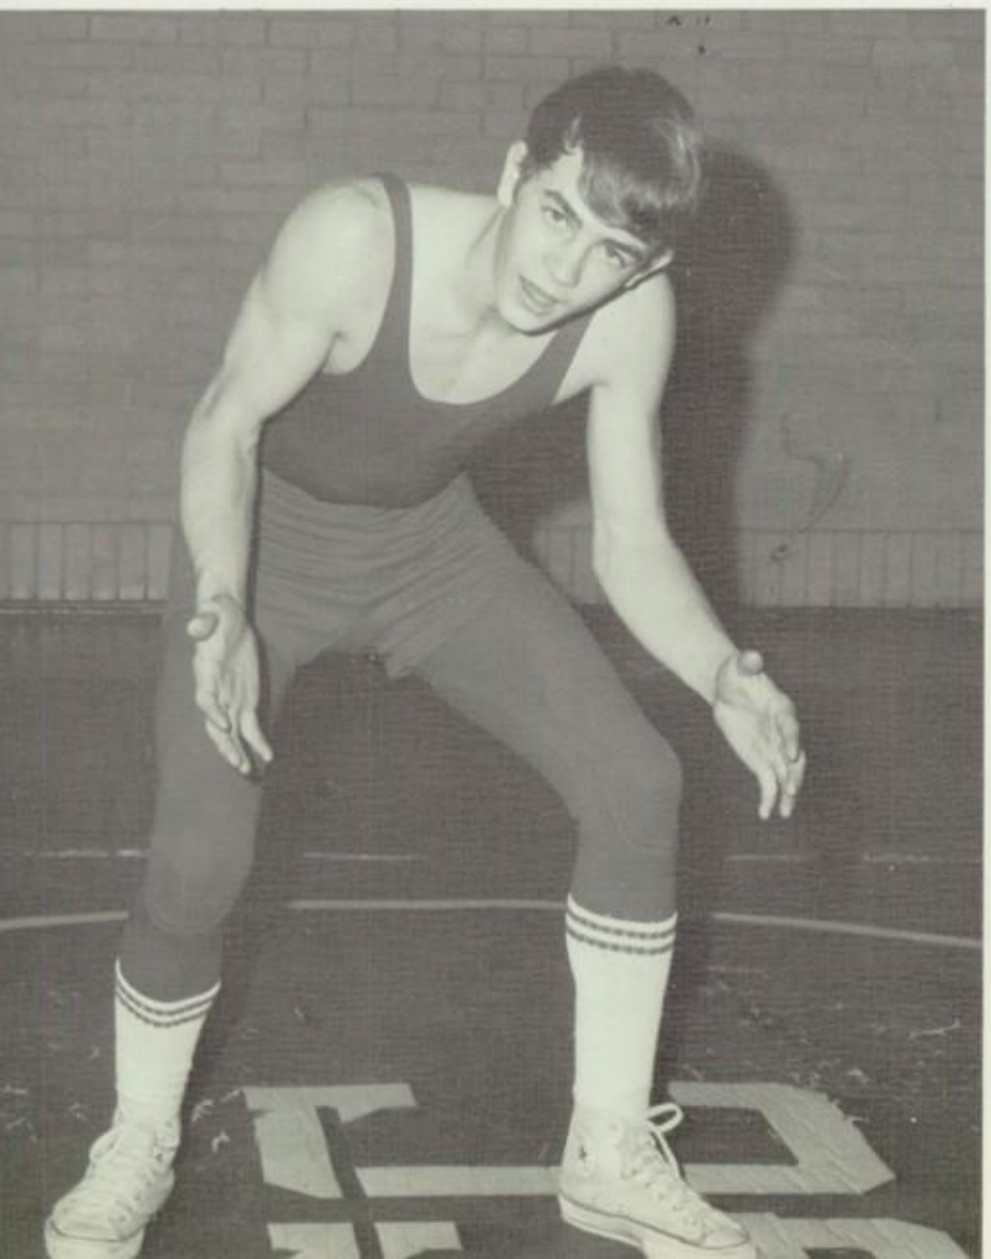
John Buhacevich

John Buhacevich, 98 pounder, showed a lot of promise as a sophomore. John's record was 9-8-3. He was runner-up in both the Mid-8 and Sectional meets.

Larry Sheets closed out a great career at Grove City with a 17-1 record. In three seasons Larry's overall record was 50-10. This year he was named the outstanding wrestler at the Franklin Heights Invitational, finished first in the Mid-8 and Sectional, and lost his only match in the District to the eventual champ.

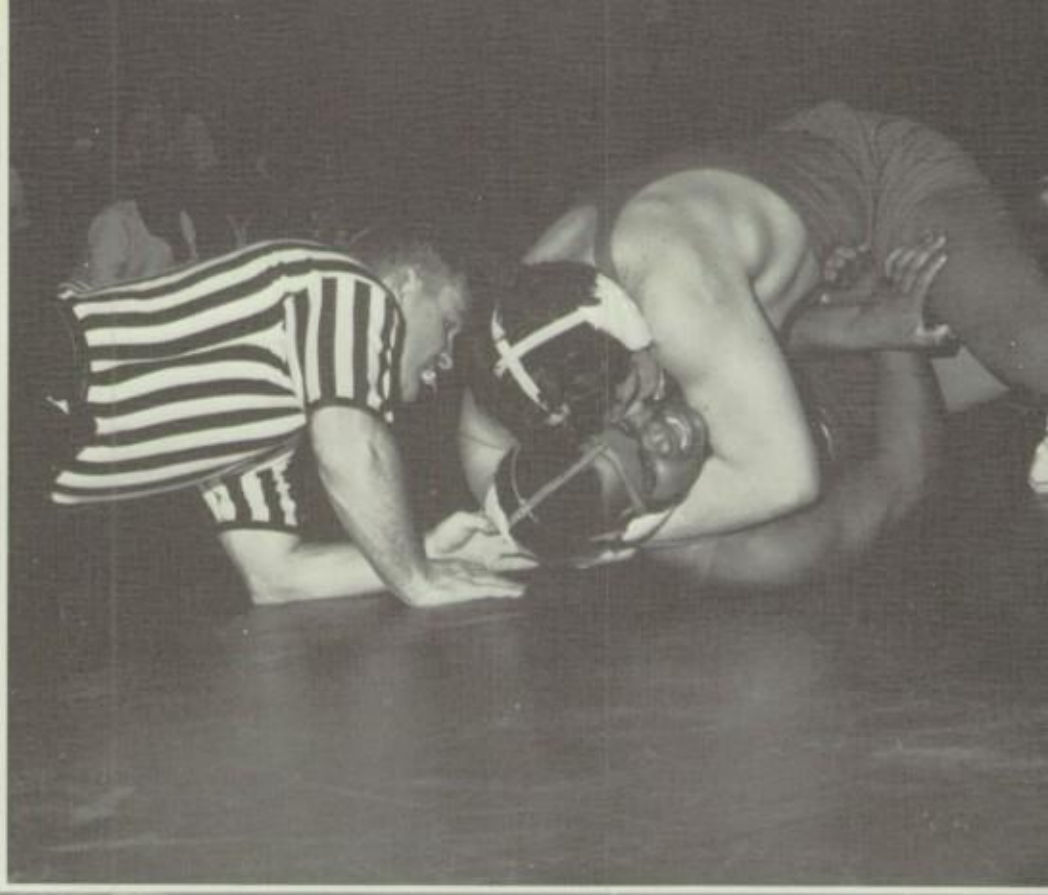


Larry Sheets



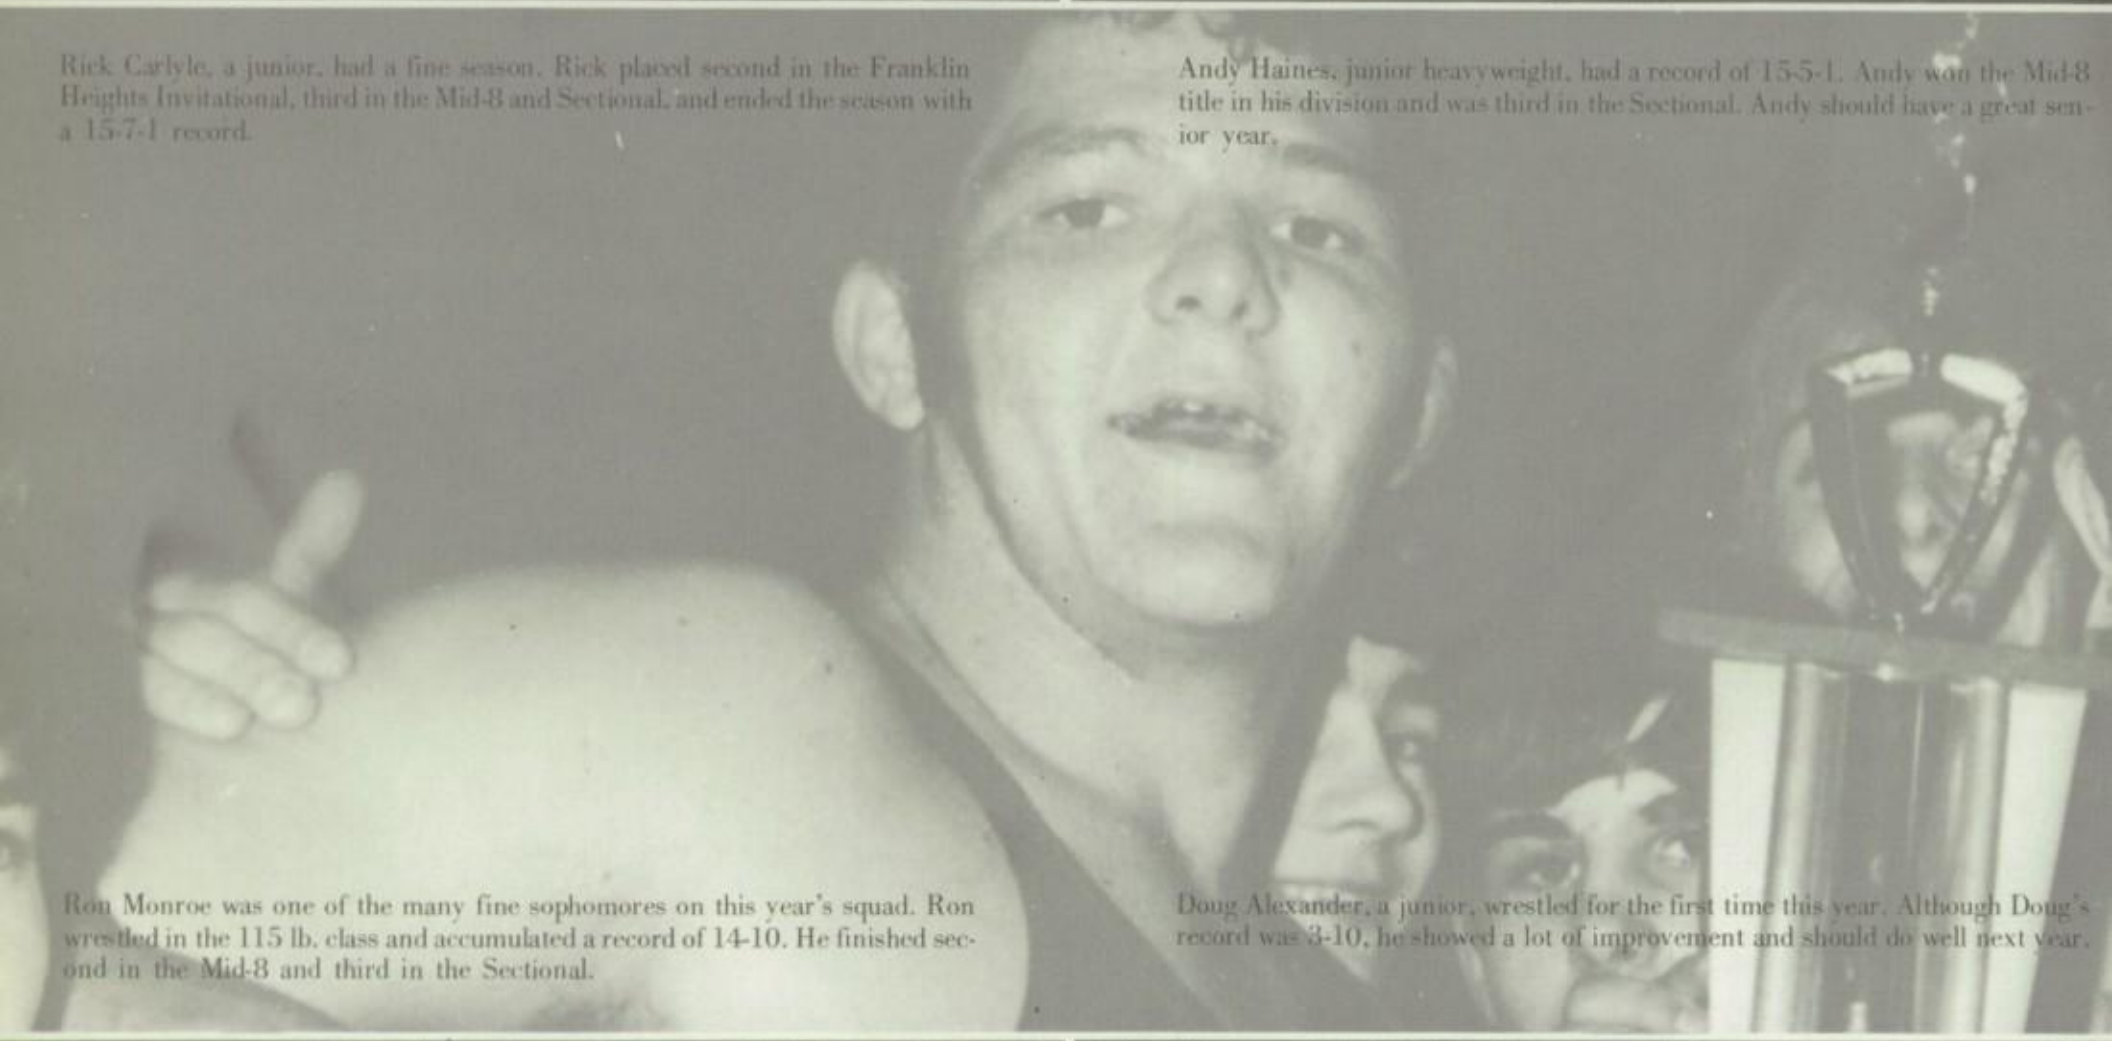
Tom Sellers

Tom Sellers, junior, wrestled for the second year at Grove City. Though not winning often, Tom did provide many good matches. With two years experience in the 130 lb. class Tom should do well next year.



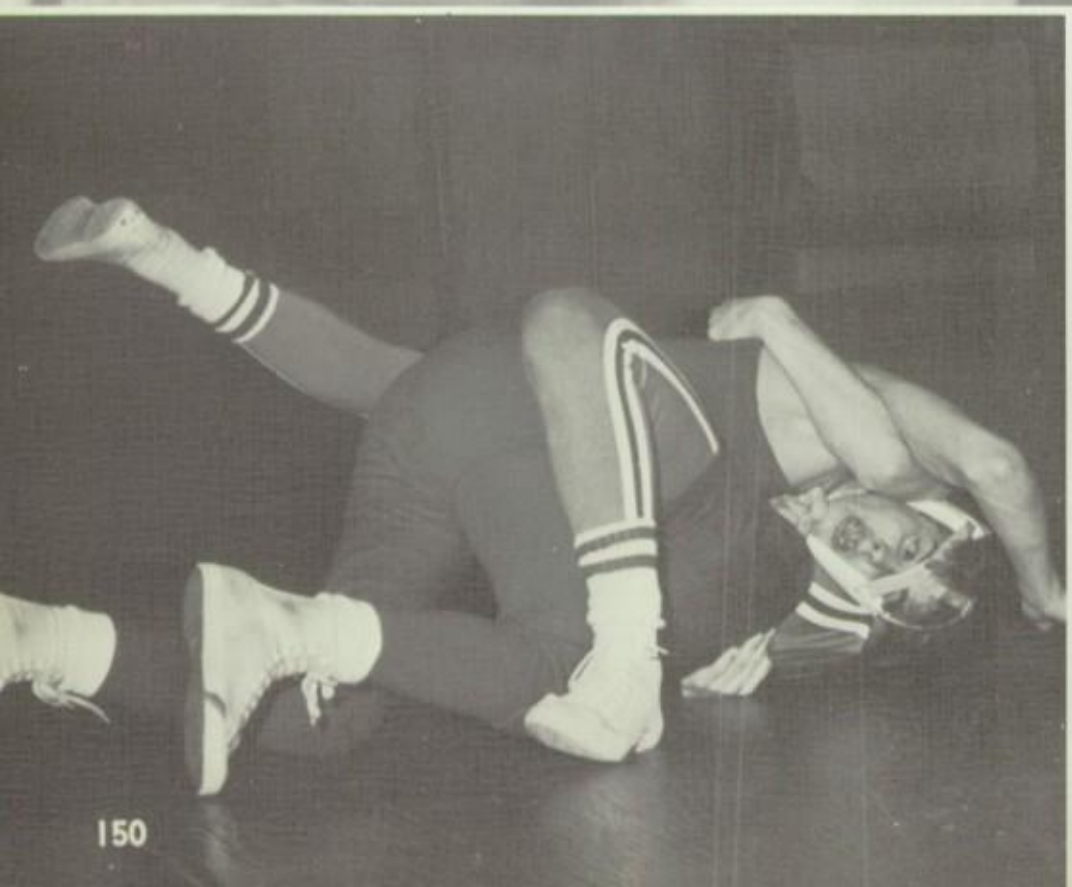
Rick Carlyle, a junior, had a fine season. Rick placed second in the Franklin Heights Invitational, third in the Mid-8 and Sectional, and ended the season with a 15-7-1 record.

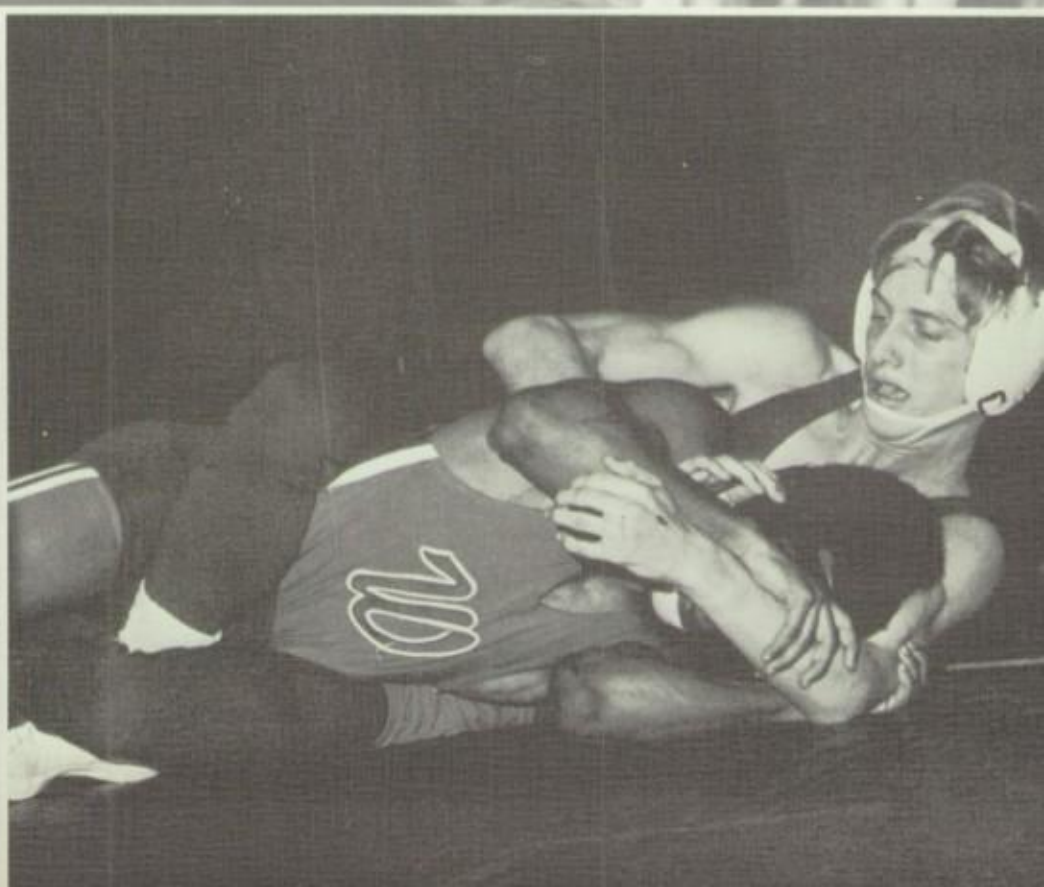
Andy Haines, junior heavyweight, had a record of 15-5-1. Andy won the Mid-8 title in his division and was third in the Sectional. Andy should have a great senior year.

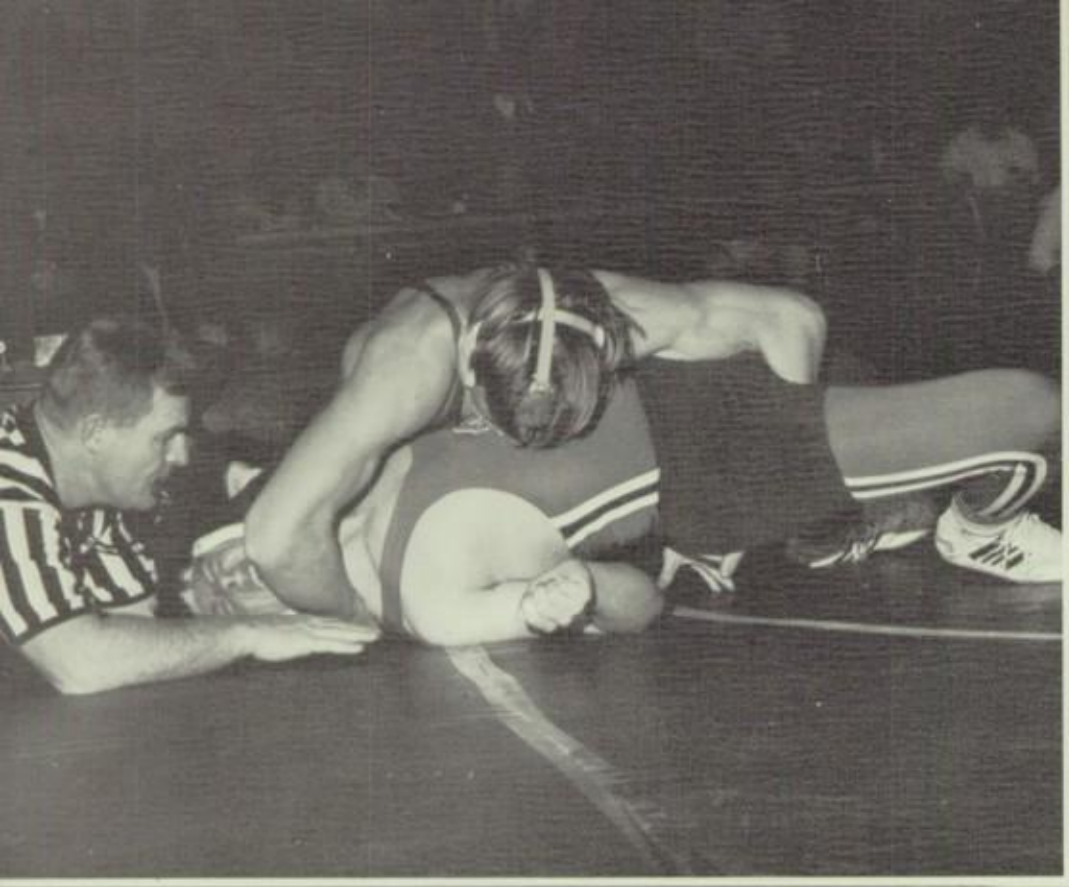


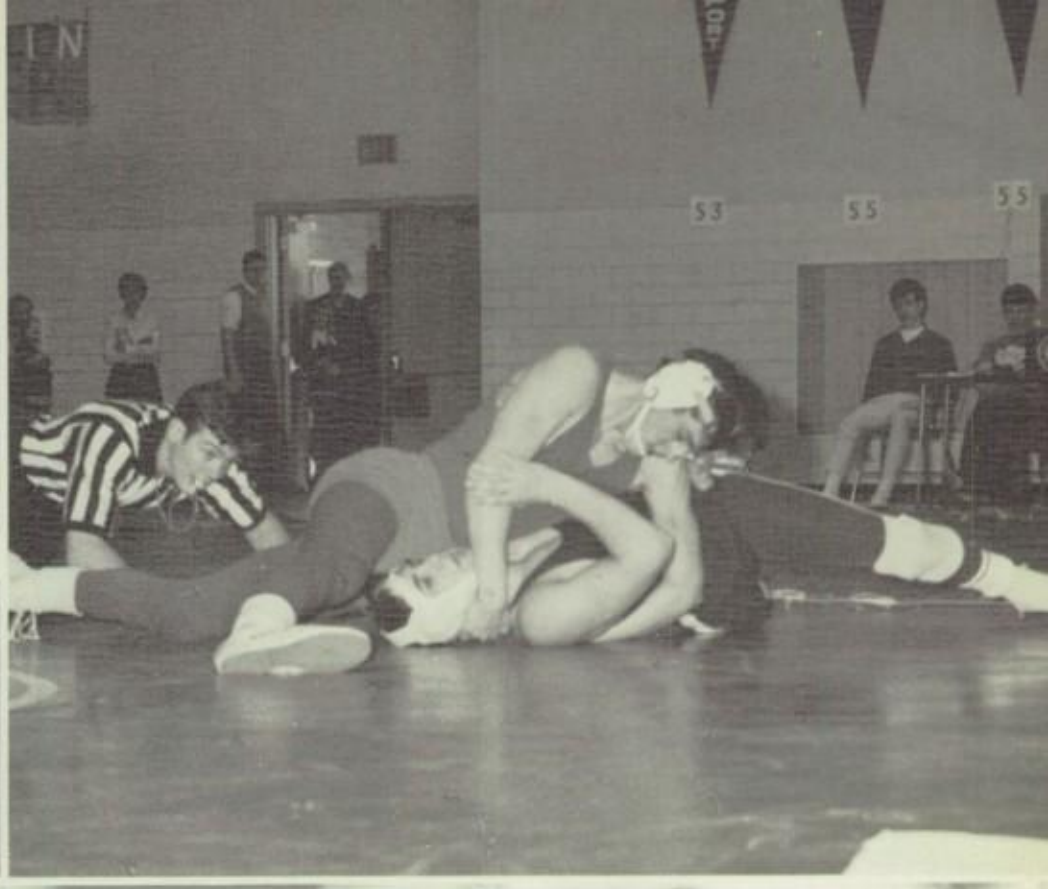
Ron Monroe was one of the many fine sophomores on this year's squad. Ron wrestled in the 115 lb. class and accumulated a record of 14-10. He finished second in the Mid-8 and third in the Sectional.

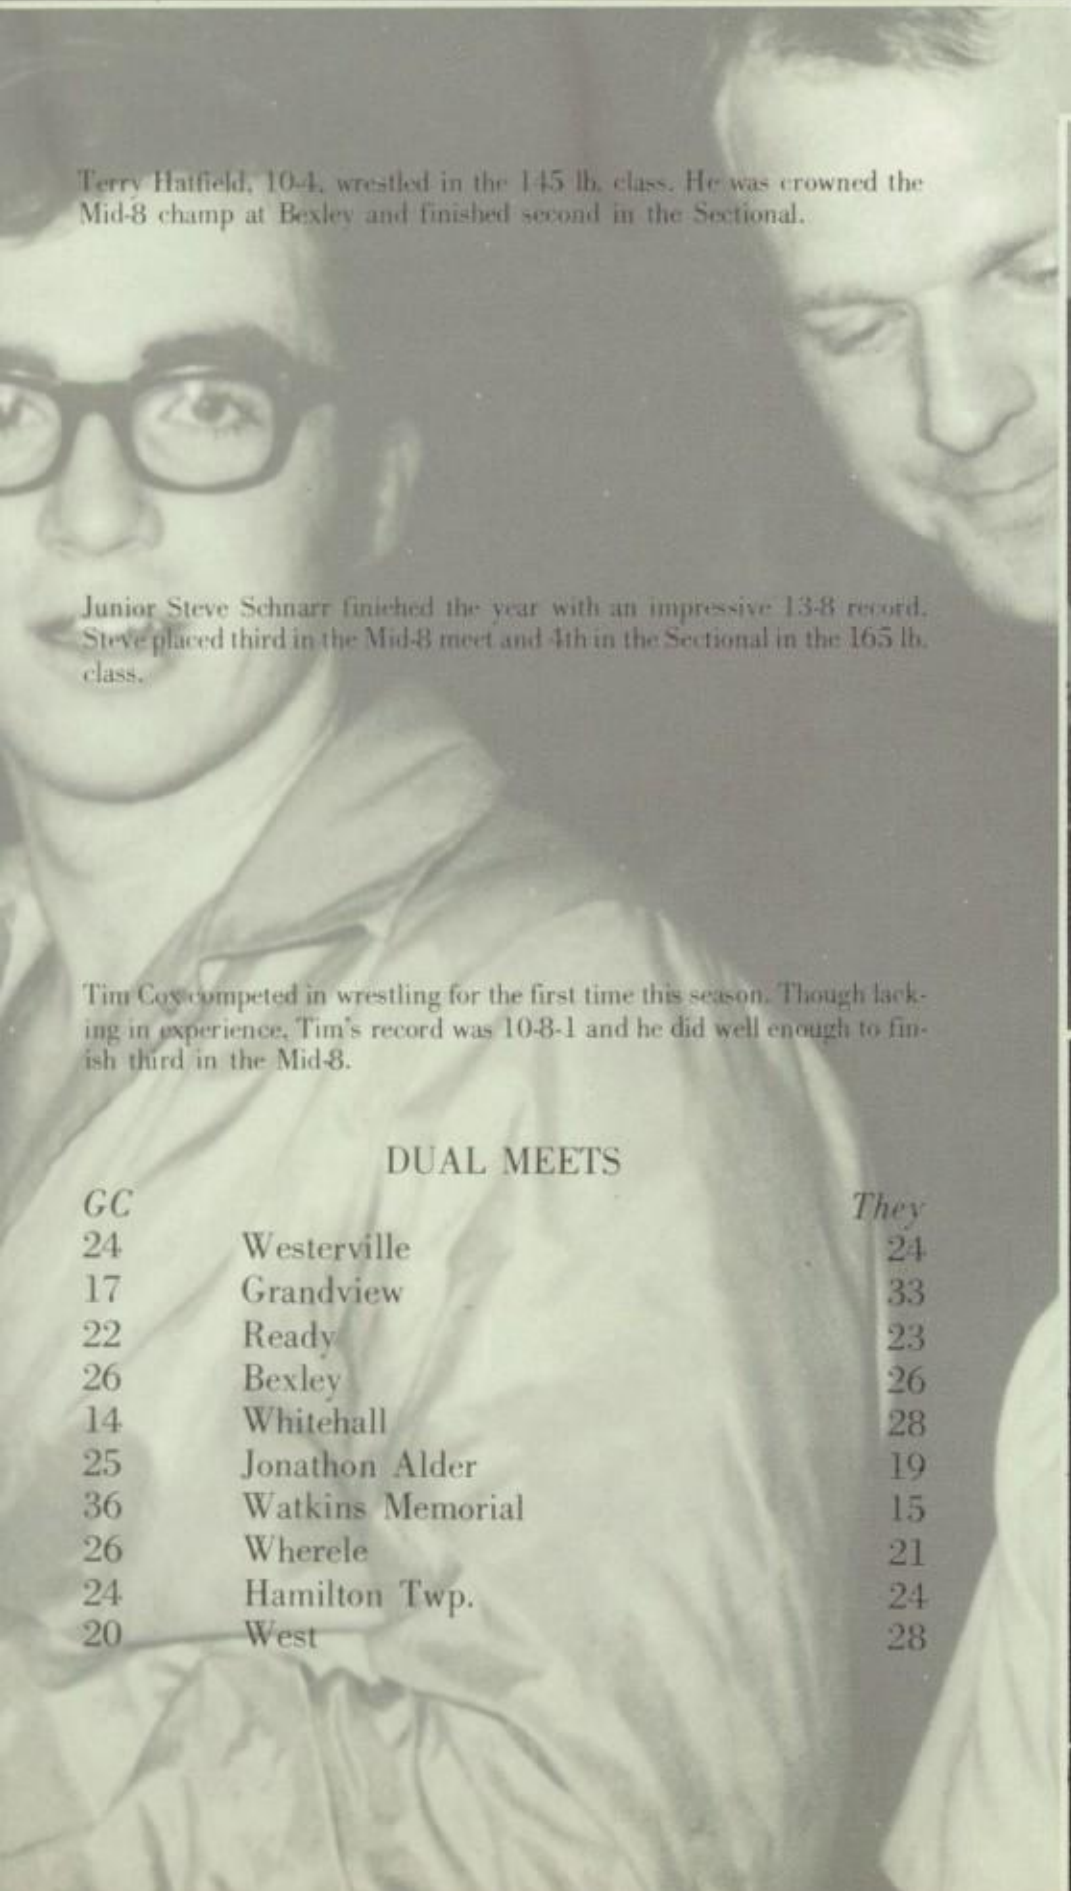
Doug Alexander, a junior, wrestled for the first time this year. Although Doug's record was 3-10, he showed a lot of improvement and should do well next year.











Terry Hatfield, 10-4, wrestled in the 145 lb. class. He was crowned the Mid-8 champ at Bexley and finished second in the Sectional.

Junior Steve Schnarr finished the year with an impressive 13-8 record. Steve placed third in the Mid-8 meet and 4th in the Sectional in the 165 lb. class.

Tim Cox competed in wrestling for the first time this season. Though lacking in experience, Tim's record was 10-8-1 and he did well enough to finish third in the Mid-8.

Before the 1969-70 baseball season started, the Greyhounds were picked as the team to beat in the Central District. Due to reliable pitching and powerful hitting, the Hounds won the Mid-Eight with a perfect 14-0 record and were crowned Central District Co-Champs, with Whetstone before being upset by Portsmouth at the Regional Semi-final. Daryl Thomas paced the Hounds by smashing out a .411 batting average with five home runs and was named to the All District and All State teams. Tim Cox hit .394, batted in 20 runs, and also turned in a 3-0 record on the mound. All District first baseman, Gary Bennett, batted in 30 runs and hit 3 homers and starred on the mound with 7 wins without a loss. Jim Wilkins, a junior, batted .358 and provided big hits when they were needed. Versatile Larry Sheets turned in an outstanding all-round performance. Sheets was the ace of the pitching staff with a 10-1 record and 1.72 ERA. When not on the mound, Larry roamed the outfield and cracked 3 homers and 26 RBI's and a .363 BA.

Carrying a record of 12-0-1 into the District tournament the Hounds were the favorites to capture the district crown. Winless Mohawk was the first obstacle and after a slow start GC rapped out a 15-0 victory. Neighborhood rival Pleasant View was next and the Panthers proved worthy until Larry Sheets' home run in the ninth and won it by a score of 5-3. Grove City followed with a 7-4 win over city leaguer West on the strength of Daryl Thomas' two home runs. The Greyhounds then met Catholic League leader DeSales in the semifinals. The Hounds flexed their muscles and pounded the Stallions 11-2. Jet Stadium was the next stop for the District finals against Ohio Capital Conference leader Mt. Vernon. Grove City edged out a 2-1 victory when Jim Wilkins hit a triple and scored on a balk. This win ran GC's win streak to 22 games. Grove City was eliminated in the regional tournament by a strong Portsmouth ball club 11-1.

On the strength of dash man Bob Hitchens, hurdler Terry Harmon, and a strong 880 relay team, the Greyhound thinclads compiled a record of 4 wins and 3 losses. In the Mid-Eight meet G.C. finished 5th. School records were set in the district meet by Hitchens in the 100 yd. dash (9.9 sec.), Harmon in the high hurdles (15.3 sec.) and the 880 relay (1 min. 32.7 sec.). Hitchens placed 4th in the Regional meet and qualified for the state meet.

The Grove City golf team came up with its first ever winning season this year by compiling a won-loss record of 20-18-1 including their sixth place finish in the sectional tourney. Coach Russell's team was led by three year men Jim Henry and Mike Eesley, the addition of former baseballers Dick Frasher and Bill Crawford, and junior returnee Mike Herrick. The squad finished with a tie for fourth in Mid-8 play and sixth out of seventeen teams in the Blackhawk Sectional. At Blackhawk the Hounds had expectations of qualifying for the District but rain washed those hopes away. Jim Henry scored a 91, Bill Crawford was next with a 92, Mike Eesley had a 93, and Dick Frasher followed with a 97. The seven returning players should insure GC of another fine team next year.

# *Student Co*

This year has been a successful year for the 1969-70 Student Council. Among the many items on their agenda, the dress code was the most prominent. After much discussion and debate, the present members of Student Council introduced a "no dress code." This code allows more freedom to the students by setting up a guideline. The code was further discussed by a panel of teachers and students. The panel reviewed the pro's and con's of the dress code.

Among the other activities, the Student Council revised their constitution so that more can be accomplished in the meetings. During the basketball tournament, the Council displayed their support and enthusiasm by selling Grove City bumper stickers.

In order to earn money, the Student Council sold Studky Log Rolls. The use of the money received from this project has not been decided. Possibilities for the use are: a student scholarship, a Greyhound on the gym floor of the new high school or to leave it to next year's Council.

The over-all motive of the Student Council was to promote better communications between students and the administration. Much has been done in Student Council this year and there are hopes that the Council will be as effective or more so in all aspects of student-teacher communications.

To honor students who have excelled in high school, the A. A. Eyerman chaper initiates those students who have proven themselves in scholarship, character, leadership and service. On April 22nd, the National Honor Society initiated new members into the chapter.

This year Debbie Cannon and Becky Meriwether were nominated to a $1000 scholarship to help further their education. The chapter also continued the tutoring program which was initiated last year. Any student was able to obtain help in most every subject.

The In The Know team is composed of intellectual students who compete with teams from other high schools. The In The Know staff is composed of a first team, alternates and a team of researchers.

A new project this year was a mock In The Know game between the team and members of the faculty. Miss Hamm, Mr. Keller, Mr. Brockmeyer and Mr. Carter represented the faculty while Becky Meriwether, Debbie Oglesby, John Hampson and Craig Treneff represented the student body.

This year the In The Know team did exceptionally well. They were victorious in the first rounds but were brought to their defeat by Worthington in the quarter finals.

*Concert Choir*

More than doubling in size this year from the previous year, the Concert Choir has done a great deal of experimental work with music involving two or more choirs. Among the performances given, there was the annual Christmas Concert on December 21st. The singers also sponsored an assembly for the school. The Concert Choir rated excellent at the area contest.

*Girls Chorus*

The Girls' Chorus at Grove City High School is comprised of sophomore and junior girls. Under the direction of Mr. Carter, the girls developed a fine tone quality which they demonstrated at the annual Christmas Concert, December 21st in the high school gymnasium.

# *The "Group"*

"Got to get you into my life . . ." the Group sings out at one of their numerous concerts.

The Group has been in existence for four years under the direction of Mr. John Carter. Each year students may try out for a position in this excellent singing group. This year there are approximately seventeen members.

Early in the year, the Group attended a workshop in Grandview. Here they met with other singing groups, discussed singing methods and exchanged ideas on performance techniques.

The Group's enthusiasm and liveliness bubbles over as they sing to audiences of people. Whether it is a fast or slow tune, the Group represents Grove City High School with pride and distinction.

Under the direction of advisors, Mrs. Price and Mrs. Olson, the girls began the year with some new projects including sewing for the ROTC department and helping with the Brookpark F.H.A. initiation. The Christmas decorations and the sale of candy canes were also done. This year Debbie Lawless received the State Homemakers Degree, the highest honor which can be achieved in F.H.A.

Each year a new group of students is selected to work on the Crimson and Blue, the school newspaper. These students work hard to provide the Grove City High School students with the news of the school. Ten issues were produced this year under the direction of advisor, Mr. Davis.

The C&B Staff does many jobs in order to provide the school with a paper. Besides reporting the news, they type, proofread articles and make mock papers to send to the printer. While having fun producing a paper, the students learn the essentials of journalism.
